

MOVING SALE

Drester 9000TT-B 2-in-1 Solvent/Waterborne Cleaner

- Automatic gun cleaner for solvent-based paints built into the left side of the unit.
- Waterborne gun cleaner, based on our proven 1050LD design, is found to the right.
- Self-contained: all feed and waste containers fit inside the body of the unit
- Save space in the shop and reduce waste disposal with the 9000TT-B

Hedson Technologies is moving their Canadian warehouse and so we are offering our best pricing ever on the 9000TT-B units:

NOW: \$2800, freight included

Regular Distributor Cost: \$3135 + \$225 freight

TOTAL SAVINGS: \$560

There are only 4 units available at this price!

*Pricing listed is distributor's cost. No rainchecks.
These units are available on a first-come-first-serve basis.
Pricing valid until April 27th, and only while supplies last.*
